!! I mostly draw for 4 panel manga magazines. If you read my works there, please send in customer surveys about me!

Shopping no Jousu (The Queen of Shopping)

Published by Takekubo. It's flying off the shelves I hope! If your bookstore doesn't have it, ask them to order it for you, okay?

An essay manga about shopping based on a book by Nakamura Utagi. I recommend the chapter with the Shogun Fuchoume wedding (lol)
